Request for Speed Hump Study

The following is a formal request for a speed hump study. Each request must contain the completed information as indicated in the Speed Hump Program Policies and Procedures.

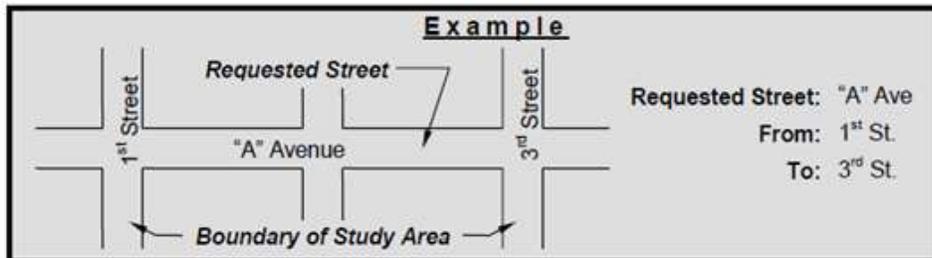

A. Street Study Information

Each request must provide the name of the street on which a study is requested, and the boundaries of the street segment. Traffic studies will be conducted only within the boundaries indicated. Please use streets for boundary limits, not block ranges.

Requested Street:

From:

To:

B. Statement of Need

Please describe the traffic-related issue(s) that generate the need for speed humps. Use additional pages if `

C. Contact Person Information

Each request must provide a contact person who lives on the requested street within the study area boundary. The contact person will receive all correspondence and be responsible for gathering evidence of support when requested and be responsible for submitting the required resident response survey¹.

Name:

Address:

Phone #: **Email:**

I agree to be the contact person for the above request. I have read and accepted the conditions required in the City of Jurupa Valley Policies and Procedures for Speed Hump Installation and Removal.

Signature of Applicant: _____ **Date:** _____

¹ See Page 2 of the City of Jurupa Valley *Policy and Procedure for Speed Hump Installation* document for more information.
