Subject: Please Support Agenda Item Number 17A for Jurupa Valley

Dear City Clerk Maria Morris,

Are sure about the name?

In the late 1920s, the community of Wineville, California, became infamous for the "Wineville Chicken Coop Murders," a series of horrific child abductions and murders perpetrated by Gordon Stewart Northcott, his mother, and his nephew. The brutality of the crimes led the town to change its name to Mira Loma in 1930 to disassociate from the events.

Thank you for your time and for listening to residents.

Yours sincerely,

Guillermo Tapia

Dear City Clerk Maria Morris,

I am writing as a Jurupa Valley resident who cares about the future of our city and wants to share my support for the plan for Wineville and Limonite Avenue on agenda item #15.

This plan will provide homes with attractive new prices, parks, open space, and equestrian trails that reflect the character of Jurupa Valley.

The design feels thoughtful, and it is clear that community feedback played a real role in shaping what is now being proposed. The proposed plans will help everyone who lives or works in this part of the city.

Please consider supporting agenda item #15 on 1/15/16. I believe it will be a positive addition to Jurupa Valley and something our community can genuinely benefit from.

Thank you for your time and for listening to residents.

Yours sincerely,

Coleen Casado
