Subject: Please Support Agenda Item Number 17A for Jurupa Valley

Dear City Clerk Maria Morris,

I am writing as a Jurupa Valley resident who cares about the future of our city and wants to share my support for the plan for Wineville and Limonite Avenue on agenda item #15.

This plan will provide homes with attractive new prices, parks, open space, and equestrian trails that reflect the character of Jurupa Valley.

The design feels thoughtful, and it is clear that community feedback played a real role in shaping what is now being proposed. The proposed plans will help everyone who lives or works in this part of the city.

Please consider supporting agenda item #15 on 1/15/16. I believe it will be a positive addition to Jurupa Valley and something our community can genuinely benefit from.

Thank you for your time and for listening to residents.

Yours sincerely,

Carlos Martin

Dear City Clerk Maria Morris,

I am writing as a Jurupa Valley resident who cares about the future of our city and wants to make it clear that no more houses are wanted by the majority of citizens of Jurupa Valley. What we want and need is repaved roads, not potholes that are filled with loose asphalt. The City Council allowed the former golf course to be turned into an ugly housing project without first adding at least two more lanes on Limonite from Downey to Bain street.

This plan will provide more traffic congestion without any added Sheriff Deputy patrols.

The developer and the city council members are the only beneficiaries of this project. Please consider denying the development of this unwanted project.

Thank you for your time and for listening to residents.

Yours sincerely,

Dear City Clerk Maria Morris,

I am writing as a Jurupa Valley resident who cares about the future of our city and wants to share my OBJECTION for the plan for Wineville and Limonite Avenue on agenda item #15. This increase in traffic due to the density planned plus one more neighborhood with no space for horses is not confirmed to the area. I'm not opposed to the development but the loss of the typical community that attracted me to live here thirty six years ago.

Thank you for your time and for listening to residents.

Yours sincerely,
