

2/5/2026  
Public Hearing A  
Correspondence 6

**From:** [Kristen \[REDACTED\]](#)  
**To:** [Maria Morris](#); [Reynaldo Aquino](#)  
**Subject:** Proposed rezone and storage unit  
**Date:** Wednesday, February 4, 2026 8:07:40 PM

---

I am again writing to vocalize my strong opposition to the proposed rezoning and storage unit. That is irresponsible development and would have negative environmental impacts, safety concerns and goes against everything the Jurupa Valley general plan stands for and clearly outlines.

I do not now nor will i ever agree or support such negligent irresponsible development taking away beautiful green space within our city.

Stop the rezone! Keep the precious land, equestrian overlay and the Santa Ana River corroded safe.

Kristen Garcia
