Staff Report

DATE: MARCH 5, 2026
TO: HONORABLE MAYOR AND CITY COUNCIL
FROM: ROD BUTLER, CITY MANAGER
BY: MARIA MORRIS, CITY CLERK
SUBJECT: AGENDA ITEM NO. A

**APPOINTMENT TO FILL AN UNEXPIRED TERM ON THE
COMMUNITY DEVELOPMENT ADVISORY COMMITTEE**

RECOMMENDATION

That Mayor Brian Berkson make an appointment to fill an unscheduled vacancy on the Community Development Advisory Committee for a term expiring in December 2026, or until their successor is appointed and sworn-in, whichever is later and which nomination shall be ratified by a majority vote of the entire City Council, pursuant to Section 2.36.030(B) of the Jurupa Valley Municipal Code.

BACKGROUND

On February 5, 2026, the City Council appointed George Ruiz to fill a vacancy on the Planning Commission, which triggered the current vacancy for his position. Since Committee Member Ruiz's appointment ran concurrently with Mayor Berkson, he will need to nominate one member to fill the unexpired term on the Community Development Advisory Committee. The individual selected will serve for the unexpired term, which expires in December 2026. The nomination shall be ratified by a majority vote of the entire City Council.

If a member of the Community Development Advisory Committee's term is expiring, or if a vacancy should occur on the Community Development Advisory Committee by resignation or failure to be reconfirmed, the positions shall be filled by appointment of a new member by the City Council pursuant to the procedures of subsection A of Section 2.36.020.

The noticing procedures outlined in Section 2.36.020(A) require that not less than ten (10) working days before the City Council appoints a person to a position on the Community Development Advisory Committee, the City Clerk shall post a notice that the Council intends to appoint a member or members to the Community Development Advisory Committee and inviting qualified persons to apply for the position or positions. The notice shall be posted on the City's website, in the City Clerk's office, and at the locations for the posting of ordinances and resolutions as

established by resolution of the City Council. These locations shall include the Glen Avon Library and the Louis Robidoux Library.

The City Clerk's Office received six letters of interest from the individuals listed below:

QUALIFICATIONS

Pursuant to Section 2.36.040 of the Municipal Code, no member of the Community Development Advisory Committee shall be a city employee, nor shall any member of the Community Development Advisory Committee be a member of another city commission or committee at any one time.

No member of the Community Development Advisory Committee shall serve in any capacity on a board, committee, or commission of any public agency or district.

No person shall serve on the Community Development Advisory Committee if he or she has any decision-making authority in a community organization that applies for or receives funds through the CDBG Program. Any participation as a decision-maker in such community organization must have ceased at least thirty (30) days prior to the time of appointment to the Community Development Advisory Committee and may not occur during incumbency. Any community organization with a decision-maker that is also a member of the Community Development Advisory Committee shall not be entitled to receive funds through the CDBG Program as long as the member continues to serve in both capacities. For purposes of this section, any person serving on the governance board, e.g., board of directors, of a community organization shall be deemed to have decision-making authority in that organization.

FINANCIAL IMPACT

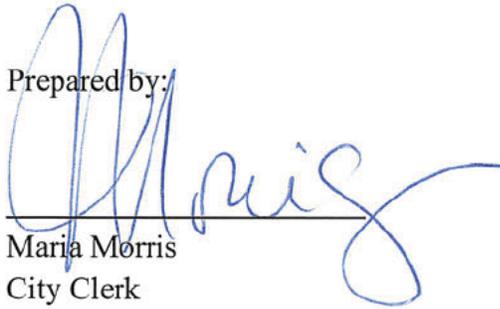

There is no financial impact.

ALTERNATIVES

Continue the consideration of the appointment of a new Community Development Advisory Committee member for further discussion.

City of Jurupa Valley

Hello Ms. Morris-

I am writing to express my interest in serving and being more actively involved in the City of Jurupa Valley as part of the Community Development Advisory Committee. I have a strong desire to stay informed and contribute meaningfully to decisions that impact our community.

My community involvement has primarily focused on education and local engagement. I have been actively involved in my children's elementary, middle, and high schools through participation on the School Site Council, driven by my interest in understanding and contributing to the decision-making processes that affect students and families. In addition, I served one year on the District Advisory Committee as part of the School Site Council, which further broadened my perspective on governance, collaboration, and community representation.

Professionally, I currently serve as the Director of Finance for a medical device manufacturing company based in Rancho Cucamonga. In this role, I oversee financial operations, compliance, and strategic planning, and regularly collaborate with cross-functional teams and external stakeholders. I hold a Bachelor of Arts and a Master of Business Administration from California State University, Fullerton.

I am motivated to contribute my professional experience, educational background, and commitment to community involvement in support of the City of Jurupa Valley. I value thoughtful governance, transparency, and informed decision-making, and I would welcome the opportunity to serve and support the City Council in advancing our community's needs and priorities.

Below is my current contact information. Thank you for your time and consideration. I would welcome the opportunity to contribute and serve.

Dear City Council Members,

City of Jurupa Valley

I am writing to express my interest in serving on the Community Development Advisory Committee for the City of Jurupa Valley. I hold a B.S. in Environmental Science from UC Santa Barbara and am a first-generation college graduate with deep, lifelong ties to this community. I attended Sky Country Elementary, Mira Loma Middle School, and graduated from Jurupa Valley High School in 2013.

Growing up in Mira Loma while neighboring Eastvale transformed from farmland to developed city has given me direct experience with the opportunities and growing pains of rapid development. That lived experience, combined with my academic background, equips me to thoughtfully evaluate issues related to land use, planning and zoning, housing, economic development, and the preservation of Jurupa Valley's rural and equestrian character.

But beyond credentials, I bring something that technical expertise alone cannot replicate: I am, in every meaningful sense, an ordinary resident of this city. I grew up in a working household, attended our public schools, and came of age watching this community navigate change without always having a seat at the table where those changes were decided. I know what it feels like to have your neighborhood discussed in meetings you never heard about, in language that was never designed for you. That experience is not a gap in my qualifications — it is the most important qualification I have. Advisory committees benefit most when they include people who reflect the community being served, not just those who have learned to speak the language of planning documents.

I am committed to ensuring community development initiatives are equitable, sustainable, and protective of residents' quality of life. I will prioritize inclusive engagement strategies so that residents facing economic, educational, or social barriers can meaningfully participate in planning and decision-making. My perspective is practical, community-centered, and focused on solutions that balance growth with long-term resilience.

It would be an honor to serve the city that shaped my values and education. I would bring diligence, integrity, and a collaborative approach to the committee and welcome the opportunity to contribute to Jurupa Valley's responsible development.

Thank you for your consideration.

Sincerely,

Angel Esquivel

Re: Letter of Interest – Community Development Advisory Committee Vacancy

Dear Ms. Morris and Members of the City Council,

I am writing to express my interest in being considered for the vacant seat on the City of Jurupa Valley's Community Development Advisory Committee (CDAC). As a resident who is deeply committed to the well-being and long-term growth of our community, I believe I can contribute meaningfully to the committee's mission and responsibilities.

I am particularly drawn to this role because of my strong interest in community development, housing programs, and ensuring that public resources are used effectively to support residents. I understand that the CDAC plays a vital part in reviewing and recommending projects funded through the Community Development Block Grant (CDBG) program, and I am eager to support efforts that improve infrastructure, expand services, and enhance the quality of life for all Jurupa Valley residents.

With more than 30 years of experience in the planning field, primarily within public sector organizations, I have developed a deep understanding of community development, housing programs, and the responsible administration of state and federal funding. My work includes assisting jurisdictions with the administration of CDBG and Home Investment Partnerships (HOME) programs, Affordable Housing initiatives, and other state and federally funded projects. This experience has strengthened my ability to evaluate community needs, interpret regulatory requirements, and ensure that public resources are allocated effectively and equitably.

Throughout my career, I have served in a variety of roles that have broadened my perspective and strengthened my ability to support community development efforts. These include serving as a planner for several cities and two counties, as well as managing CDBG programs and associated projects. These positions have given me a comprehensive understanding of how community development programs function from both policy and implementation standpoints.

I would welcome the opportunity to bring this experience to the City of Jurupa Valley in service to our community. I bring a collaborative approach, strong analytical skills, and a genuine commitment to supporting the long-term well-being of Jurupa Valley residents. I am confident that my background aligns well with the responsibilities of the Community Development Advisory

Committee, and I would be honored to contribute my experience to the City's efforts to strengthen neighborhoods and enhance quality of life.

Thank you for considering my application. I would be honored to contribute to the City of Jurupa Valley in this capacity and am available at your convenience for any additional information.

Sincerely,

City of Jurupa Valley

Dear Ms. Morris,

I am writing to express my interest in the vacancy on the Community Development Advisory Committee for the City of Jurupa Valley.

My name is Waleed Al Quqa, and I have been a resident of Jurupa Valley since December 2022. I am a licensed Civil Engineer in the State of California and several other states, holding a Bachelor's degree in Civil Engineering and a Master's degree in Structural Engineering. I bring more than 13 years of professional experience in structural engineering, infrastructure development, regulatory compliance, and project oversight.

Currently, I serve as a Regional Engineering Manager, where I lead and oversee a multidisciplinary team of more than 20 engineers. My responsibilities include technical review, budget awareness, regulatory compliance, risk evaluation, and coordination across disciplines to ensure projects meet safety standards and long-term performance goals. I regularly evaluate projects not only from a technical standpoint but also with consideration for cost efficiency, community impact, and compliance with applicable funding and regulatory requirements.

I understand that the Community Development Advisory Committee reviews applications for Community Development Block Grant (CDBG) funding and provides recommendations to the City Council regarding allocation. My professional background has given me strong analytical skills and experience reviewing proposals, assessing feasibility, and ensuring responsible use of resources — skills that I believe are directly applicable to evaluating CDBG funding requests and supporting equitable and strategic community investment.

As a resident of Jurupa Valley, I care deeply about responsible community development, public safety, and ensuring that public funds are allocated in a way that meaningfully benefits residents. I am not an employee of the City of Jurupa Valley, do not serve on any other public board, committee, or commission, and do not have any decision-making authority in any organization that applies for or receives CDBG funds.

It would be an honor to serve our community by contributing thoughtful, objective, and professional input to the Committee and City Council.

Thank you for your time and consideration. I would welcome the opportunity to further discuss how I can support the City in this role.

Sincerely,

Waleed Al Quqa, PE

Subject: Letter of Interest – Community Development Advisory Committee Appointment

Dear Mayor and Members of the City Council,

I respectfully submit my letter of interest for appointment to the Community Development Advisory Committee for the City of Jurupa Valley.

As a Jurupa Valley resident and a public servant with over 25 years of government experience at the municipal, county, and regional levels, I bring extensive knowledge of public administration, community engagement, infrastructure planning, and grant-funded programs. My professional background aligns closely with the City's administration of Community Development Block Grant (CDBG) funds and the Committee's advisory role in infrastructure, housing initiatives, social services, and public service grants.

In my current and previous roles with the Riverside County Board of Supervisors and the City of Riverside, I have reviewed budgets, prepared board and council agenda materials, analyzed policy impacts, and served as liaison to diverse communities. I have experience assembling background reports for elected officials, evaluating program proposals, and ensuring compliance with governmental processes. This experience directly supports the careful review and recommendation of CDBG-funded projects to ensure they meet HUD eligibility requirements and address community needs.

While serving at the Western Riverside Council of Governments, I administered regional programs across multiple jurisdictions, managed budgets, analyzed program performance, and prepared reports for executive leadership. This regional experience strengthened my understanding of intergovernmental coordination, federal program guidelines, and accountability standards—critical components of an entitlement city managing direct HUD funding.

In addition to my professional background, I have served on nonprofit and community-based boards, including Riverside Latino Network and Community Reciprocity Development. These experiences provide practical insight into the

operational and fiscal realities nonprofit organizations face when applying for and administering public grants.

As a resident of Jurupa Valley, I am deeply invested in ensuring CDBG funds are strategically allocated to projects that strengthen infrastructure, expand access to housing, and support essential social services for our most vulnerable residents. I am committed to transparent, data-driven decision-making that aligns federal funding with measurable community impact.

Thank you for your consideration. I would be honored to serve the City in this capacity and contribute to the responsible stewardship of CDBG resources.

Respectfully,

Araceli Ruiz

Honorable Members of the City Council,

Jurupa Valley is not simply where I reside it is where I have listened, organized, knocked on doors, sat in living rooms, and heard the quiet concerns people do not always bring to a microphone. It is where I have witnessed both the promise of growth and the tension that growth can create. I submit my interest in serving on the Community Advisory Committee not out of ambition but out of stewardship and a genuine love for our beloved city.

I believe community leadership begins long before a formal vote is taken. It begins in conversation. In showing up consistently. In being willing to sit with differing perspectives without rushing toward easy conclusions. Through my work in community outreach and governance including my service on the board of a local health clinic I have learned that public trust is earned through preparation, presence, and follow through.

My experience canvassing and engaging residents across Jurupa Valley has given me direct exposure to what families care about most is safe neighborhoods, responsible development, infrastructure that keeps pace with growth, meaningful youth opportunities, and a city that listens rather than simply manages. The Community Advisory Committee plays an important role in bridging those conversations to City leadership and I understand the responsibility that comes with standing in that space.

Professionally, my background in logistics and large scale coordination has shaped how I approach decision making. In operational environments small decisions ripple outward and affect entire systems. That mindset carries into my view of civic service. Every recommendation, every advisory position, and every discussion has broader implications for long term stability and community character. I approach those responsibilities deliberately and with discipline.

My work as a California Notary Public has further reinforced my respect for procedural integrity and fairness. Even in advisory capacities, credibility depends on diligence, transparency, and consistency. Public service is not performative it is principled and accountable.

Jurupa Valley stands at an important stage in its development. Growth is inevitable; direction is not. Direction is shaped by those willing to listen carefully, weigh perspectives responsibly and serve with balance rather than impulse. If appointed, I will bring steady judgment, respect for

diverse viewpoints, and a commitment to ensuring that civic engagement remains accessible and meaningful.

Thank you for your consideration. I would be honored to contribute my time and perspective in service to our city.

Respectfully,

Jesse Silva

2.36.070 – Meetings/Quorum.

2.36.080 – Stipend.

2.36.010 – Community Development Advisory Committee Established.

The Community Development Advisory Committee has been established pursuant to the Citizen Participation Plan for the Community Development Block Grant (“CDBG”) Program to review applications for CDBG funding and provide the City Council with recommendations regarding the allocation of such funding.

2.36.020 – Number of Members; Appointment and Removal.

A. The Community Development Advisory Committee shall consist of five (5) members. Members of the Community Development Advisory Committee shall be appointed by the City Council. Each Council Member shall nominate one member of the Community Development Advisory Committee. Each such nomination shall require confirmation by a majority vote of the entire City Council.

1. Not less than ten (10) days prior to the meeting at which the Council will consider one or more appointments to the Community

Development Advisory Committee the City Clerk shall post notice of the pending appointments and invite qualified persons to apply for the position or positions.

2. The City Clerk shall post such notice at the locations where the City Council Agendas are posted pursuant to City Council resolution and on the City's website.
 3. In addition to these posting requirements, the City Clerk shall also comply with the posting requirements for vacancies and terms of members of the Community Development Advisory Committee as provided in Sections 54970 through 54974 of the California Government Code or their successor sections.
- B. Members of the Community Development Advisory Committee shall serve at the pleasure of the City Council and a member of the Community Development Advisory Committee may be removed from the Community Development Advisory Committee by a majority vote of the entire City Council for any reason, with or without cause. If a member of the Community Development Advisory Committee is removed from office, then at the time of this vote the member shall be deemed removed from the Community Development Advisory Committee, the member's term and tenure as a member of the Community Development Advisory Committee shall end, and a vacancy shall exist for that position.
- C. If a vacancy should occur on the Community Development Advisory Committee such vacancies shall be filled by appointment of a new member by the City Council for the unexpired portion of the term pursuant to the procedures of subsection A. of this Section.

2.36.030 – Term; Annual Reconfirmation.

- A. The term of each member of the Community Development Advisory Committee shall be for four (4) years or until their successors are appointed and sworn in as members, whichever is later.
- B. Each year the City Council shall reconfirm the appointment of each member of the Community Development Advisory Committee.
1. The reconfirmation shall occur at a regular City Council meeting during the month of December of each year.
 2. Each member of the Community Development Advisory Committee shall be reconfirmed by a majority vote of the entire City Council.
 3. If a member of the Community Development Advisory Committee is not reconfirmed by a majority vote of the entire City Council, then at the time of this vote the member shall be deemed removed from the

Community Development Advisory Committee, the member's term and tenure as a member of the Community Development Advisory Committee shall end, and a vacancy shall exist for that position.

2.36.040 – Qualifications.

- A. Members of the Community Development Advisory Committee shall, at all times during their incumbencies, be bona fide residents and registered voters of the city.
- B. No member of the Community Development Advisory Committee shall be a city employee, nor shall any member of the Community Development Advisory Committee be a member of another city commission or committee at any one time.
- C. No member of the Community Development Advisory Committee shall serve in any capacity on a board, committee, or commission of any public agency or district.
- D. No person shall serve on the Community Development Advisory Committee if he or she has any decision-making authority in a community organization that applies for or receives funds through the CDBG Program. Any participation as a decision-maker in such community organization must have ceased at least thirty (30) days prior to the time of appointment to the Community Development Advisory Committee and may not occur during incumbency. Any community organization with a decision-maker that is also a member of the Community Development Advisory Committee shall not be entitled to receive funds through the CDBG Program as long as the member continues to serve in both capacities. For purposes of this section, any person serving on the governance board, e.g., board of directors, of a community organization shall be deemed to have decision-making authority in that organization.

2.36.050 – Officers.

The officers of the Community Development Advisory Committee shall consist of a Chairperson and a Vice-Chairperson who shall be selected by a majority vote of the entire Community Development Advisory Committee. The terms of the Chairperson and Vice-Chairperson shall be from January 1 to December 31 of each year, subject to removal or failure to reconfirm pursuant to this Chapter.

2.36.060 – Duties.

The duties of the Community Development Advisory Committee shall include reviewing applications for CDBG funding, attending meetings regarding CDBG-related activities, receiving testimony from applicants, and providing the City Council with recommendations regarding the allocation of CDBG funding.

2.36.070 – Meetings/Quorum.

- A. The Community Development Advisory Committee shall meet on an as-needed basis, as determined by the City Manager or designee. All meetings of the Community Development Advisory Committee shall be conducted in accordance with the provisions of the Ralph M. Brown Act (Gov. Code Section 54950 et seq.).
- B. A quorum of three members of the Community Development Advisory Committee shall be required for the transaction of any business.

2.36.080 – Stipend.

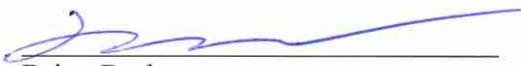

Members of the Community Development Advisory Committee may receive a stipend per meeting in an amount set by resolution of the City Council.”

Section 2. Severability. If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining provisions of this Ordinance. The City Council hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more section, subsection, sentences, clauses or phrases be declared unconstitutional or otherwise invalid.

Section 3. Certification. The City Clerk of the City of Jurupa Valley shall certify to the passage and adoption of this Ordinance and shall cause the same to be published or posted in the manner required by law.

Section 4. Effective Date. This Ordinance shall take effect on the date provided in Section 36937 of the California Government Code.
